Successful Aging through Financial Empowerment

For more information please contact **LaToya Hall**,
SAFE Program Coordinator at: l.hall@wayne.edu or **313-664-2608**

The SAFES Caregiver Empowerment Program was created by Dr. Peter Lichtenberg, Director of the Institute of Gerontology at Wayne State University and one of the country's foremost researchers in safe-guarding older adults from financial exploitation. SAFE connects with older adults and caregivers directly to build financial skills to prevent scams, and assistance when recovering from scam.
